A Soda Skit.

Oh, the bubbling, gurgling, gushing Of the soda water rushing In a pure and sparkling, chilly, frozen-

stream That is "sassy," snappy, biting Through a hundred feet of plping That would chill the burning fever of a lover's fiery dream.

Now I don't know how to tell it, But it seems to me there is A refreshing bit of coolness And a wealth of healthy sparkle In the gurgle of its drips As it bubbles up and sputters To the thirst upon your lips

There's a twist of mingled chilliness In the cooling way we fix it And a drop of frigid shivers In the freezing way we mix i In new kinks for tastes that differ In a coldish way that suits, With the pure rock candy syrup And rich juices of the fruits.

There's no doubt but it's immodest But you know I'm after biz, And I, therefore, would but ask that You excuse this little quiz: Is it sods water you are after With a cold and freezing thrill? Then I have it, for I'm serving With each glass a hunk of chill.

"I am pretty well now for a man of sixty-three years," says Mr. John Larson of Ashby, Grant Co., Minn. "That been very badly troubled for many years with dyspepsia, also masal catarrh, and got so bad and weak that I could not work." I could hardly eat anything without vomiting, had a pain in the stomach and a burning sensation coming into the throat. I took Dr. Pierce's Golden Medial Discovery and 'Pleasant Pellets,' and can truly say these medicines have belped me wonderfully. I commenced taking them in the fall and used them all winter. I took fifteen bottles of the 'Discovery' and six of the 'Pellets' according to directions, shall must say that both are good housest medicines.
"I improved right along from the very beginning. I just stopped taking medicine in the latter part of May and then felt as well as ever in my life. I can eat all kinds of food and it dosen't cause me any pain in my stomach now as it always did before I took Dr. Pierce's medicines. I can cheerfully say to the public that they need not hesitate in taking Dr. Pierce's Golden Medical Discovery for dyspepsia; it will cradicate and cure the disease if anything with."
